Instructions for Downloading SPPB Training CD – can only be used on PC

Click on CD (Download) on this site

Sppb_cd.iso will download – this may take several minutes

Go to download directory to find sppb_cd.iso
May find under "This PC" in directory of files, may be called D: drive
Right click on it and will either allow you to mount as a virtual disk to your computer's hard
drive or will not have that option and will make you burn a CD

To run:
Virtual disk – Just double click on "CD Drive"
CD – May start when disk is inserted in computer. If not, see instructions on this web site under
"Tips for Windows 7 and higher users"
